

Group Health Cooperative (GHC)  
Premium Summary Table for Those Receiving Extra Help

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. The amount of extra help you get will determine your total monthly plan premium as a member of our Plan.

The following charts lists what your monthly premium will be depending on three factors:

- What Group Health Medicare Advantage plan you enroll in,
- Where you reside and
- What level of LIS that you qualify for.

The premiums listed cover both your medical and prescription drug benefits, however does NOT include any Medicare Part B premium or late enrollment penalty that you may still need to pay.
